A FACT PROVEN.

Should Convince Even the Most Skep-
tical of Its Truth.

If there is the slightest doubt in the
minds of any that Dandruff germs do not
exist, their belief is compelled by the
fact that a rabbit inoculated with the
germs became bald in six weeks' time.
It must be apparent to any person
therefore that the only prevention of
baldness is the destruction of the germ-
which act is successfully accomplished in
one hundred per cent. of cases by the
application of Newbro's Herpicide.
Dandruff is caused by the same germ
which causes baldness and can be pre-
vented with the same remedy—Newbro's
Herpicide.

Accept no substitute. "Destroy the
cause you remove the effect."
Sold by leading druggists. Send 10c. in
stamps for sample to The Herpicide Co.,

CAUGHT IN PASSING.

Aerial Political Items Garnered on the
Streets.

This is Dame Rumor's own partien-
lar harvest. She was busy yesterday
filling all the public offices of Astoria
with new timber, old timber, timber
good and timber bad, available and un-
available.

Among the morsels the unreliable old
crone rolled under her remorseless
tongue, were the following:

That Dr. T. L. Ball and Dell Sculley
were after the honors of the Council in
the First Ward.

That a petition calling for the nomi-
nation of J. E. Higgins for the mayor-
alty was to be floated tomorrow morn-
ing.

That Fred S. Johnson and James Rob-
inson wanted seats in the Council
chamber as representatives from the
Second Ward.

That C. Leinenweber would succeed
himself in the same dignified semi-circle.

That John Nordstrom is well again
and will figure in the race for the mu-
nicipal treasuryship.

That Martin Ford, W. C. Laws, and
Captain John W. Babbidge are slated
for the new Police Commission.

That A. B. Daigity will figure in the
run for the position of Police Judge
and Auditor.

That Alfred S. Tee desires not to re-
linquish the place of City Surveyor.

And finally, that these gentlemen
are all within the republican pale and
figure as such in their aspirations.

These rumors, and others, are afloat
in the "ambient" and are amenable to
denial, doubt, indifference, and contra-
diction, as time, people and circumstances
shall determine.

Don't Borrow Trouble.

It is a bad habit to borrow anything,
but the worst thing you can possibly
borrow, is trouble. When sick, sore,
heavy, weary and worn-out by the pains
and poisons of dyspepsia, biliousness,
Bright's disease, and similar internal
disorders, don't sit down and brood
over your symptoms, but fly for relief
to Electric Bitters. Here you will find
sure and permanent forgetfulness of all
your troubles, and your body will not
be burdened by a load of debt disease.
